Subject: Holden Beach Bicycle Lane Project – Division 3 Response to Adjacent Riparian Landowner Objections (Stormwater Concerns)

Concerning the objections related to stormwater runoff raised by adjacent riparian landowners for the proposed Holden Beach Bicycle Lane Project, Division 3 maintenance, construction, and hydraulics units have been consulted in the preparation of this response.

The stormwater runoff from the existing two-lane Secondary Route No. 1116 Ocean Blvd./McCray St. is currently handled through infiltration into the surrounding sandy soil substrate of the barrier island by
